Join us for our 15th Annual
Pediatric Emergency Medicine
Advances and Controversies for the Clinician | 2014

Disney’s BoardWalk Resort at *Walt Disney World* Resort
Lake Buena Vista, Florida | April 23-26, 2014

Join us for a great conference. Enjoy luxe accommodations. And have fun in the sun.

A conference has never been so much fun! Staying at Walt Disney World Resort allows you plenty of time to learn, relax and enjoy theme park fun in sunny Florida with your family and friends.

Our four-day Pediatric Emergency Medicine: Advances and Controversies for the Clinician course emphasizes the diagnosis and management of common and unusual problems of acutely ill and injured children.

In its fifteenth year, the course combines dynamic lectures, some using an audience response system, critical care case scenarios using hands-on high-fidelity simulation, interactive group discussions and informal concurrent workshops to allow participants to interact with faculty. There will be many opportunities for question and answer encounters with presenters.

Pediatric Emergency Medicine
Advances and Controversies for the Clinician | 2014

COURSE DIRECTOR
Steven M. Selbst, MD, FAAP, FACEP

GUEST FACULTY
Angela C. Anderson, MD, FAAP, Associate Professor of Pediatrics and Emergency Medicine, Joseph M. Alpert, Jr., M.D., C.S. Foundation Children's Hospital, University of Miami, Miami, FL

Constance McAneney, MD, FAAP, Professor of Clinical Pediatrics, University of Cincinnati College of Medicine, Cincinnati, OH

Martha Wright, MD, MEd, FAAP, Professor and Vice-Chair of Education, Department of Pediatrics, Case Western Reserve University, Cleveland, OH

Scott A. Barron, MD, FAAP, Associate Professor of Pediatrics, Jefferson Medical College, Philadelphia, PA

John Lauster, MD, FAAP, Associate Professor of Pediatrics, Jefferson Medical College, Philadelphia, PA

Scott A. Barron, MD, FAAP, Assistant Professor of Pediatrics, University of Central Florida College of Medicine, Orlando, FL

Michael A. Eckstein, MD, FAAP, Associate Professor of Pediatrics, University of Central Florida College of Medicine, Orlando, FL

NEMOURS FACULTY
Steven M. Selbst, MD, FAAP, FACEP, Professor of Pediatrics, Jefferson Medical College, Philadelphia, PA

John Lauster, MD, FAAP, Associate Professor of Pediatrics, Jefferson Medical College, Philadelphia, PA

Monica Epelman, MD, Associate Professor of Radiology, University of Central Florida & Florida State University, Orlando, FL

Katie Giordano, DO, Attending Physician, Division of Emergency Medicine, Nemours/Alfred I. duPont Hospital for Children, Wilmington, DE

Laura McLean, MD, Chief, Division of Neurosurgery, Florida State University College of Medicine, Tallahassee, FL

Todd Maugans, MD, Clinical Professor of Surgery, Florida State University College of Medicine, Tallahassee, FL

Christopher Russo, MD, Attending Physician, Emergency Medicine, Nemours/Alfred I. duPont Hospital for Children, Wilmington, DE

WHAT SHOULD ATTEND?
Clinicians who provide acute/emergency care to children
Pediatricians
Emergency Medicine & Pediatric Emergency Medicine Physicians
Family Medicine Physicians
Hospitalists
Advanced Practice Nurses and Physician Assistants

CONFERENCE HIGHLIGHTS:
- General session lectures from nationally known experts/teachers in the field of Pediatric Emergency Medicine
- Practical information of value to clinicians who provide acute/emergency care to children in the emergency department or a primary care setting
- Evidence-based information with discussion of controversies in management
- Critical case scenarios using hands-on high-fidelity simulation
- Small group interactive workshops and case-based discussions
- The Audience Response System allows attendees to test their knowledge and interact with presenters
- Increase your ability to diagnose and manage common and unusual problems of acutely ill and injured children
- Content that may be appropriate for state-specific required Quality Improvement and Trauma credits
- Superb conference setting, convenient to all Walt Disney World® Resort attractions.
- Conference schedule that allows for unlimited family fun at the Walt Disney World® Resort
- An opportunity to mingle informally with colleagues, and to meet Mickey Mouse!
GENERAL INFORMATION

COURSE OBJECTIVES
At the conclusion of this program, participants should be able to develop a differential diagnosis for, assess and manage clinical issues that occur in the Emergency Department, Urgent Care Center or primary care office, including:

- Implement the initial evaluation of neonates with potentially life-threatening conditions.
- Develop an approach to common and unusual pediatric illnesses encountered in the ED or office setting.
- Identify pitfalls in successfully performing minor procedures.
- Describe the presentation of and treatment approach to children with asthma.
- Utilize teamwork and crisis resource management principles to manage critically ill pediatric patients in an ED or office setting.
- Use pharmacologic agents effectively in pediatric pain management.
- Recognize the common and dangerous causes of abdominal pain in children.
- Develop a differential diagnosis for a child with an acute, severe headache.

ACCREDITATION
Nemours is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Nemours designates this live activity for a maximum of 20.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This course has been approved by the American College of Emergency Physicians for a maximum of 20.0 hours of ACEP Category 1 credit.

HOTEL INFORMATION
A block of rooms has been reserved at Disney's BoardWalk Inn at the Walt Disney World® Resort, which embodies the charming atmosphere of a 1940s mid-Atlantic seaside village.

- within walking distance of Disney's Hollywood Studios® and Epcot®
- bustling boardwalk nightclubs, restaurants and shops are right outside your front door
- beautifully appointed rooms and incredible swimming pools highlight this luxury hotel experience
- complimentary transportation to all Walt Disney World® Resort theme parks
- complimentary luggage service directly from the airplane to your hotel room

Single or double rooms are available at the conference rate of $300 per night (plus tax.) Hotel reservations must be made through Walt Disney World® Resort (407) 934-3372. Please mention the Alfred I. duPont Hospital for Children and the name of the conference (Pediatric Emergency Medicine 2014) to obtain the group discount.

The deadline for hotel reservations is March 23, 2014. However, the hotel often fills well before the deadline, so please reserve early. (If you prefer to reserve a room at a different Walt Disney World® Resort hotel, you can also do that through the phone number above. Disney has accommodations to suit all budgets.)

A SUITE DEAL FOR EARLY REGISTRANTS
All conference attendees whose registration is received by February 14, 2014, and who register to stay at Disney's BoardWalk Resort, will be entered in a drawing to win a free upgrade to a garden suite (for the evenings of April 22, 23, 24, 25 and 26). The garden suite sleeps four and features a king-size bed, pull-out sofa, 1.5 baths and a small kitchenette.

DISCOUNT DISNEY TICKETS
Information on specially priced tickets to the Walt Disney World® Resort theme parks is available at the conference website at www.PedsUniversity.org

TRANSPORTATION
Disney's Magical Express® Transportation, a complimentary shuttle and luggage delivery service, will take you from the airport directly to your Walt Disney World® Resort hotel. Please call (407) 827-6777 to book your Disney's Magical Express® Transportation reservation.

To ensure seamless service, please make your Disney's Magical Express® Transportation reservation at least 30 days in advance of your arrival date.

EDUCATIONAL GRANTS
This course may be supported in part by unrestricted educational grants in accordance with ACCME Standards. At the time of this printing, a list of commercial supporters was not available. Appropriate acknowledgement will be given to all exhibitors and supporters in conference materials and at the time of the meeting.

DISCLOSURE POLICY
As a provider accredited by the ACCME, Nemours must ensure balance, independence, objectivity and scientific rigor in its educational activities. All faculty involved in the development of CME content are required to disclose to Nemours their relevant financial relationships.

An individual has a relevant financial relationship if he/she has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the CME activity content over which the individual has control. Nemours has policies in place to resolve potential financial conflicts of interest. Relevant financial relationships will be disclosed to the activity audience.

AMERICANS WITH DISABILITIES ACT
In accordance with the Americans with Disabilities Act, Nemours/Alfred I. duPont Hospital for Children will provide modifications in teaching methodologies to accommodate individual needs. To request disability accommodations, contact the Office of Continuing Medical Education at least 15 days in advance of the program at (302) 651-6750.

REGISTRATION
Advance registration is required and should be received by April 2, 2014. All registrations received by this date will be confirmed by mail.

FEES
Conference registration fee is $695 for physicians, $595 for nurses and allied health professionals and $295 for students and residents with a letter from their program director. This fee includes all course materials, daily continental breakfast and refreshments at breaks.

REFUNDS
A refund less a $100 processing fee will be given for WRITTEN cancellations received before April 2, 2014. No refunds will be given after this date. The hospital is not responsible for any cancellation or change fees assessed by hotels, airlines or travel agencies.

AGENDA

TUESDAY EVENING | APRIL 22
7:00 p.m. Welcome Reception – Sea Breeze Point on the BoardWalk

WEDNESDAY | APRIL 23
7:00 a.m. Registration/Breakfast
7:45 a.m. Welcome
8:00 a.m. Febrile Seizures in Children: Simple and Complex
8:30 a.m. Update on Management of Pneumonia – What Do the New Guidelines Mean? (using an audience response system)
9:00 a.m. Revenge of the Wild Kingdom – An Evidence-Based Approach to Bites and Stings
9:35 a.m. Questions and Answers
9:45 a.m. Break
10:00 a.m. Pediatric Pain Management for the ED Doc and Pediatrician
10:45 a.m. Management of Pediatric Orthopedic Emergencies
11:30 a.m. Questions and Answers
11:45 a.m. CONCURRENT SESSIONS
   Critical Case Scenarios for Emergency Physicians (using high-fidelity simulation)
   Adolescent GYN Emergencies
   Visual Diagnosis in Pediatric Emergency Medicine (using an audience response system)
   Pediatric Palliative Care
1:00 p.m. Adjourn

THURSDAY | APRIL 24
7:00 a.m. Breakfast
7:30 a.m. Pediatric Rashes – The Common, the Rare and the Serious (using an audience response system)
8:30 a.m. Acute Pediatric Abdomen – An Evidence-Based Approach to Evaluation and Management
9:15 a.m. Foreign Bodies – You Got What Stuck Where? (Fun ways to get them off or out)
10:00 a.m. Questions and Answers
10:15 a.m. Break
10:30 a.m. Pediatric Dental Emergencies
11:00 a.m. What Is New in the Management of Asthma
11:30 a.m. Questions and Answers
11:45 a.m. CONCURRENT SESSIONS
   Critical Case Scenarios for Pediatricians/Family Physicians (using high-fidelity simulation)
   Ultrasound in the Pediatric ED
1:00 p.m. Adjourn

FRIDAY | APRIL 25
7:00 a.m. Breakfast
7:30 a.m. Is There a Doctor in the House? (using an audience response system)
8:30 a.m. Pediatric Sports Concussions – The Good, the Bad, the Ugly
9:15 a.m. ENT Infections – Where Is the Evidence
9:45 a.m. Questions and Answers
10:00 a.m. Break
10:15 a.m. Pediatric Emergency Medicine Jeopardy (using an audience response system)
11:15 a.m. What Is New in Management of Skin Abscesses
11:45 a.m. Questions and Answers
11:50 a.m. CONCURRENT SESSIONS
   Critical Case Scenarios – Communication and Teamwork (using high-fidelity simulation)
   Neonatal Nightmares – Emergency Cases in the First Month of Life
   Advanced Airway Management
   Challenging Cases in the ED and Office (using an audience response system)
1:00 p.m. Adjourn

SATURDAY | APRIL 26
7:00 a.m. Breakfast
7:30 a.m. Reducing Malpractice Exposure – Making the Pediatric Emergency Department “Risk Free”
8:30 a.m. Classic Controversies in Pediatric Emergency Medicine (using an audience response system)
9:30 a.m. Eye Emergencies
10:00 a.m. Questions and Answers
10:15 a.m. Break
10:30 a.m. Pediatric Radiology – Reducing the Risk of Radiation in the ED
11:15 a.m. Bronchiolitis – Management Updates and Controversies
11:45 a.m. Heat Stroke/Heat Exhaustion
12:15 p.m. Questions and Answers
12:30 p.m. Adjourn
