

Pediatric Grand Rounds

How to Participate Remotely

While being physically present at Grand Rounds enhances the experience for both attendees and the speaker, we realize some clinicians are unable to be at the hospital for Grand Rounds every Wednesday morning. For those who are located at other Nemours sites, and for community primary care offices, we are offering the opportunity to take part in the rich educational opportunity that Grand Rounds offers, and receive *AMA PRA Category 1 Credit™* for your attendance. Remember, the Delaware State Board of Nursing accepts *AMA PRA Category 1 Credit™* for nursing licensure contact hours.
